

Huerfano School District RE-1  
201 East Fifth Street, Walsenburg, CO 81089

Telephone (719) 738-1520  
Fax (719) 738-3148

March 19, 2015

Dear Parents/Guardians and Staff:

This letter is sent to inform you that the Asbestos Hazard Emergency Response Act (AHERA)(40 Code of Federal Regulations 76.3) requires Huerfano School District RE-1 to inspect its buildings and develop a management plan for those asbestos containing materials that are located in its buildings. This inspection was completed on March 19, 2015. The law also requires a reinspection every three years.

The results of these inspections/reinspection are included on file in each school's administrative office and at the Districts main office, 201 East Fifth Street, Walsenburg.

Sincerely,

Michael Moore  
Superintendent of Schools
