

Huerfano RE-1 Reopening of Schools Plan for 2020-2021

Huerfano RE-1 Schools (Peakview pk-8 and John Mall HS) will begin school with online/remote instruction. Huerfano RE-1 will hope for a normal return to school on September 8, 2020 after further review and analysis of the Covid 19 virus levels in the state, county and in schools that returned to normal to start their school year. New student Chromebooks will be distributed when students return in small groups for online training on 8/17 or 8/18.

Huerfano RE-1 does not expect nor anticipate that students will spend 8 hours in front of their Chromebook. We will make every effort to provide exceptional lessons in a reduced amount of time. The starting and ending times of student classes will be determined by building level Principals. Lessons shall also be recorded for viewing at an alternate time.

Sack breakfast and lunches will be served in a similar drive-through manner as this past spring. Only Peakview and John Mall HS enrolled students are eligible for these sack breakfasts and lunches. Students will receive 2 days' worth of meals during each pick-up. Tuesdays and Thursdays 10:30am-12:30pm

Schedule of events
