Superintendent/Huerfano School District Re-1  
201 East Fifth Street  
Walsenburg, CO 81089

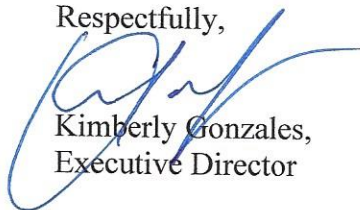

Mr. Moore,

I wanted to say "Thank You" to you and your staff for taking time out of your busy schedules to meet with the health department regarding the re-opening plans for John Mall High School and Peakview School. We were very pleased to see how much dedication and thought went into these reopening plans.

After reviewing each schools plan, the health department feels that John Mall High School and Peakview School meet the requirements of CDE, CDPHE and the local public health order.

We wish you all the best of luck for a healthy and safe re-opening. Please reach out to Cathy Montera, RN., Robin Sykes, or myself if you have any questions.

Respectfully,

Kimberly Gonzales,  
Executive Director
